

Ashland Avenue Baptist Church's 2010 World

**Impact Conference** will be held **September 23-26** in Lexington, Kentucky. Our guest preacher will be **Dr. Russell Moore**. Breakout sessions and small group discussion will be led by leading orphan care advocates from **ABBA Fund, Lifesong for Orphans, and Hope For Orphans** (others are still being added). Our purpose in hosting this unique World Mission Conference is to show how adoption and orphan care fit within the church's responsibility to fulfill the Great Commission. This conference is for anyone who has a heart for abandoned children, as well as, spiritual orphans living among the nations. On top of mission-related resources, there will also be resources for church leaders and anyone who would like to know more about connecting orphan care to your church's mission. Families considering adoption and Christians concerned about orphan care will be encouraged by this conference as well.

**ENDS OF THE EARTH CONCERT** Andrew Peterson will be in concert at 7:00 p.m. on Saturday, September 25th. **THE CONCERT IS FREE!** Donations will be taken during the concert, all of which go toward Ashland Avenue's Ends of the Earth mission efforts.

**EXHIBITORS AND BREAKOUT SESSIONS** The conference will feature several exhibitors who will provide resources for families and churches interested in adoption and orphan care. Representatives from these organizations will also be leading breakout sessions during the conference. (The topics of the breakout sessions will include: adoption ministry, adoption culture, funding adoption, orphan care, foster care, etc.) We will continue to add new organizations to our list of exhibitors. You can check our web page to see the updated list and register for the breakout sessions you would like to attend.

**CONFERENCE SPEAKER** Russell Moore is a leading voice for the church concerning adoption and orphan care. He is Senior Vice-President for Academic Administration and Dean of the School of Theology at The Southern Baptist Theological Seminary.

Dr. Moore is also a powerful preacher who serves as the teaching pastor at the Fegenbush campus of Highview Baptist Church in Louisville, Kentucky.

Among several other books and articles he is the author of ***Adopted for Life: The Priority of Adoption for Christian Families and Churches.***

***Adopted for Life*** has become a life changing primary resource for families considering adoption and for churches engaged in orphan care.

Dr. Moore is husband of Maria and father of four sons, two of whom were adopted. You can benefit from Dr. Moore's writings, preaching, and biblical cultural analysis at [www.russellmoore.com](http://www.russellmoore.com)

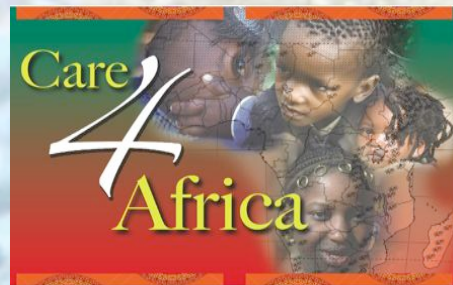

**MISSION EXPERIENCE 4 KIDS**

Each World Impact Conference offers a virtual mission experience for kids (Ages 3-5th grade).

Africa has been called the Continent of Orphans. There are estimates as high as 95 million orphans in Africa alone. For this reason our 2010 children's program will be called **Care 4 Africa.**

Each evening, the kids will experience mission work in Africa. They will travel to a virtual Africa, visit villages, pet animals, play games, and even taste African foods. This will be a very exciting experience for the kids as they learn about the role they have in ministering to orphans around the world.

**Everything associated with the World Impact Conference is free. We want as many churches, families, and organizations as possible to be represented at the conference.**

**LODGING AND HOSPITALITY** At this time we have two options for our conference lodging:

**Hotel**

The weekend of our World Impact Conference will coincide with the 2010 World Equestrian Games being held in Lexington. We understand that this could make hotel reservations difficult. For this reason, we preemptively reserved rooms at various locations around Lexington for our conference guests. If you would like, we will lock one of these rooms in for you. Feel free to reserve your own lodging. However, know that we are here to help if needed. Call 8592664341 or email the church for assistance.

**Ashland Hospitality**

Because of the possible difficulty of hotel reservations and our desire to meet new friends, the AABC family has decided to offer free "in-home-hospitality" for our conference guests. This unique ministry opportunity is another way in which we are seeking to cultivate a culture of adoption at AABC. This "in-home-hospitality" allows certain families at AABC the privilege of using their home and resources as a tool to promote adoption and orphan care. We guarantee that the hospitality will be over the top, providing you with as much fellowship or privacy that you may desire.
